

Faith in Action Family and Friend Picnic

Saturday ~June 19

Twin Lakes Park

Faith in Action hosted our first annual Volunteer, Family and Friend summer picnic. A patriotic theme set the tone as many wore their red, white and blue attire. The gentle breeze, great food and entertaining stories by Monte Reichenberg along with patriotic music by the Singing Cowboy, Jack Milam made for a fun afternoon. Games of State Bingo and Jelly Bean Guessing were played with prizes given to the winners. Friendly competition took place in the side yard as two Hillbilly Golf games became bragging rights and challenges for many. Plans are already underway for our next summer's Fun-filled FIA Family and Friend Picnic!

"Faithful Friends"

Faith in Action of Edgar County

The Summer months are fun and exciting times of the year. However it can be a time of concern for programs like FIAEC who depend on donations to keep everything running. Therefore we encourage you to consider becoming a "Faithful Friend". It is a great way to join others in giving, which in turn becomes a tremendous blessing to residents of Edgar County. Faith in Action offers non-medical assistance to residents of Edgar County who struggle to remain independent because of long-term chronic illness or long-term physical limitation. Services are provided at no-charge to their receiver.

To date we have 167 families and organizations that have become "Faithful Friends" either through a one time donation or have agreed to make a donation once a year for a period of 5 years. Twice a year FIA sends flyers out in the Beacon News and Chrisman Leader to encourage new donors and to remind those who have joined our campaign that it might be time to send their donation. If you are a "Faithful Friend" and would like for our office to send you a yearly reminder via email or postal mail, please contact us and let us know. We will be happy to send a reminder if needed.

Please consider becoming a member of Faith in Action's "FAITHFUL FRIENDS".

A one-time or an annual donation over a period of five years will provide
HUGE benefits for residents of Edgar County!
