“A Neighbor’s Independence Depends on You.”

♪ *Joy comes in the Morning!* ♪

Good Morning!

No, I've not really taken leave of my senses, I just have so much good, actually great news to share with everyone! First of all I want to share that **we have moved**. We are now located at **104 E. Washington Street, P.O. Box 154**. This came about by a “flood” of events. After the heavy rains a few weeks ago our office flooded. We didn't lose anything as we had learned from the last time to keep everything off the floor and in totes. However, after making one special phone call to Larry Jones we found ourselves in a really nice, dry, comfortable and perfect office. Now I want to thank Larry and everyone who helped in anyway to get us to this point.

First I want to Thank God for already having a plan even before we knew we were going to need one! I would like to thank those who helped with the all day Saturday water clean-up of our former office.

They included:

Karl and Barbara Marshall; Cleo and Edie Emrick; Cindy Soughers and Ron Nugent

Thank You Larry Jones

for allowing us to move the Faith in Action office to your building at 104 E. Washington St. This is a true blessing!

Thank you to all who helped in the moving process, including:

Monte Reichenburg; Ron Nugent; Mike and Debbie McConkey; Tom Henson; Lillie Davis; Shirley Bishop and Cindy Soughers

If I have left anyone out of this miracle chain of events, please know that it was unintentional and that you are greatly appreciated.

During this same two week period Faith in Action of Edgar County was blessed to be asked to be the mission focus for three area Vacation Bible Schools! This has been exciting!

Thank You...

**Hume Christian Church/Hume United Methodist Church
Nevins Christian Church
Bell Ridge Christian Church**

I truly enjoyed attending each of your VBS programs and sharing the mission of Faith in Action. What a great opportunity for children to learn first hand about being God's arms of love reaching out to help others!

**Thank you Nate Alexander, Children's Minister of
Lake Ridge Christian Church..**

for filming and putting together two special DVDs that allowed each of the churches to share the work of Faith in Action through video presentations during their mission segments each day! This was a tremendous help considering all the activity that was going on.

+++TOWN MEETING +++
Potential for a Paris Dialysis Center

I encourage all who drive or have driven our residents to dialysis to attend the upcoming informational town meeting at the First Baptist Church, 201 S. Central Street, Paris. I have been working on a committee with Rich Ueberflus, Dustin Melton, and Francis Holley to bring a service to Paris. We are hopeful that it will be a reality, but **we need to show public support**. See the enclosed flyer.

Successful Bake Sale! \$417.65! WOW!!

Now I want to thank everyone who provided baked goods and also all who rolled up their sleeves to help with the Most Successful Bake Sale we have ever had! It was just unbelievable! Even the rain on Friday didn't dampen the spirits of those who came by and purchased goodies from the best bakers in the county! Never mind the fact that one crash of thunder and lightning sent some of us running for the court house and others of us to the protection of a vehicle! Nothing inside the tent got wet and business went on as usual. :-)

THANK YOU!

During this same time period we also had a very successful Burger King Night!

Received a call from the Heartland Foods (Burger King) complimenting us on a successful fundraiser. Thursday, the 12th we earned \$116.29! Cookie treats were given to everyone to kick off their Father's Day weekend.

I want to thank our Prayer Partners.

We have several who spend time praying each month specifically for the ministry of Faith in Action. Thank You... we saw first hand this passed two weeks how your prayers are answered. There were many doors opened that we didn't know were available. We were met with many unexpected expenses, but not without the means to see them through. Your prayers are truly powerful.

This is a great program and we appreciate all of you!

While the move was made from one office to the other we were officially closed for one week while we set up and made the contacts to restore phone and other services. However the work of Faith in Action of Edgar County continued. Transportation all over continued, visits were made, errands were run, hands were reaching out in service to those who needed a little extra help. Thank all of you who kept the work of Faith in Action rolling.

100th Wheelchair Ramp!

Monte and crew have completed their 100th wheelchair ramp! The neat thing about that also is that the ramp belongs to a sweet little two year old boy. THANK YOU SPECIAL PROJECT CREW!

Just a reminder... PIZZA HUT- CARD ANGELS - BURGER KING

Creative Card Angels will be in our new office.. June 24th at 10:00 am.
