

Faith in Action Welcomes New Board Members

The board of Directors of Faith in Action recently welcomed two new members to the board. Terry Bergdolt and Judy Benton started their duties in October. Terry has been working with Faith in Action as a special project volunteer since August of 2005. Judy is a transportation volunteer as well as a volunteer office assistant. She began her service with Faith in Action in August of 2007. We welcome them both to the board of directors and look forward to serving with them in the growth and outreach of the work of Faith in Action of Edgar County.

Faith in Action was the mission for

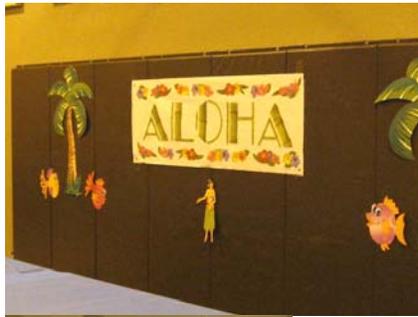

Vacation Bible School at Brocton Christian Church

August 3rd – 7th, 2009

Faith in Action was proud to be selected as the VBS Mission during the week and what a tremendous week it was! Their theme was focused on serving others. The kids had a great time watching skits, playing games, hearing the word of God, singing His praises and getting excited about reaching out to help others who are in need. The following photos share just a little of the fun that was had throughout the week.
